

You are cordially invited to our

2022 Youth Ambassador and Promotoritos Program Capstone Presentation

To honor the work of our Promotoritos and Youth Ambassadors, we are hosting a presentation of their skills and knowledge with their chosen topics as capstone projects, and an awards ceremony to celebrate their achievements in the program.

The Promotoritos Internship Program is for youth 16–18 years of age. The goal of the program is to provide paid internship opportunities to youth who are usually excluded from paid opportunities (English learners, foster youth, Black, Brown, SE Asian youth, etc.). This program creates a pathway for students for their next steps in life: college, the workforce, and beyond.
